which would relate to not delaying the staff supply the information but only if that would delay the introduction of the budget bill to the floor. That is really the issue before the body at this time. Then you can go ahead with whatever you want to at this time. Senator Syas.

SENATOR SYAS: I just want to ask a question. If the education committee has an executive meeting a lot of bills at 12:30, now if we keep going here this morning we are not going to have executive session.

PRESIDENT: OK, the Chair is trying to bring the issue to a head and everybody wants to keep expanding the motion. I don't know what the Chair is going to do. I have a motion to recess and I just as soon take that. Question is that I would just as soon resolve it if at all possible. That is the only direction that the Chair is moving. Now, do you want to adopt the Carpenter amendment to the Frank Lewis amendment to the Frank Lewis motion and that would be that the staff not delay the introduction of the budget bill. That is the amendment that we are voting on at this time. All those in favor of the Carpenter amendment will...that that staff supply the information but not delay the introduction of the budget bill vote aye, those opposed vote no. Thank you. Clerk will record.

CLERK: 25 ayes, 0 nays and 24 not voting.

PRESIDENT: Now, we come back to the Lewis motion which is that the staff be required to furnish the information as he explained. All those in favor of the Lewis motion now regarding fiscal projections vote aye, those opposed vote no. This is to supply the information only to the body. But without the staff delaying the introduction of the budget bill. Have you all voted? Alright, Clerk will record that.

CLERK: 27 ayes, 0 nays and 22 not voting.

PRESIDENT: That motion carries then as amended by the Carpenter motion. Now, we don't have anything before the body is the Chair's understanding. Do we have other business on the desk?

CLERK: Yes, I have a motion to recess but I have some other things here.

PRESIDENT: Read the other things.

CLERK: We have a couple Attorney General opinion to Senator Fellman and Senator Savage that will be submitted to the Journal. We have 3 new resolutions, LR118 read. Read LR119
